

Year 3 Spring Term Curriculum Letter 2020

Happy New Year! It has been lovely to welcome the children back to school this week. The children have come back ready to learn and we have already begun to learn new facts and skills and we are very excited by the activities we have planned this term.

Spring 1

Our Topic this half term is Map Skills

In **English** we will be looking at persuasive texts and the children will be writing their own piece of persuasive writing.

In **Maths** we are focusing on addition and subtraction. We will also be looking at multiplication and division. In **Science** we are looking at animals including humans, including how our muscles and skeleton work.

Our **Design and Technology** work this half term will be all about food! We will learn how to create different food items. We are lucky enough to have **Spanish** in Year 3 with Mr Pinto which will be every Tuesday.

Spring 2

In **English** this half term we will be looking at Aesop's fables and writing our own. We will be looking at narrative and how fables have meanings. In **Maths** we are going to be learning to use money, measure length and work with fractions.

In **Science** we will be looking at plants. The different parts of a plant and how they get their food.

Our Topic this half term continues with map skills, we will be learning how to plot coordinates and use a compass.

Our **Art** this term will be painting London landscapes and looking at different artists. **Spanish** will continue on a Tuesday with Mr Pinto.

In PSHE we will be looking at "Dreams and Goals" looking at what children can achieve and what their dreams are.

Our PSHE will be looking at "Healthy Me", we will be looking at how children can be healthy with food and exercise.

Our PE days are Monday and Thursday. Every child is expected to have a kit, with shoes or trainers, in school every day. Please ensure earrings are removed as we cannot do that for the children.

To support your children at home, we ask that you listen to them read, practise the spellings sent home weekly and complete any maths tasks. We will be doing weekly spelling tests and a times table test.

Thank you for your continued support. If you have any questions or concerns feel free to speak to me after school or contact me on Class Dojo. I look forward to a fantastic new year with you all! Miss Stead
