Little Einsteins/Attenborough Reception Class

Home Learning Spring 2, week 2 – Theme: Kings, Queens and Castles

| Weekly Maths Tasks Aim to complete at least 2 this week | Weekly Reading Tasks Aim to complete one a day. | Weekly Writing Tasks Aim to complete at least 2 this week |
|---|--|---|
| <p>Mathletics – Use your login to access the activities.</p> <p>White Rose Maths – Use this link to access a daily maths challenge. https://whiterosemaths.com/homelearning/early-years/</p> <p>Maths calculations sheet – parents can write some for you in your workbook using single digit number addition and subtraction calculations.</p> <p>Write digits 0-20 using the correct number formation (examples can be found on our website).</p> <p>Watch a Numberblocks episode on YouTube or BBCiPlayer. Parents can use this guide to help support you. https://www.bbc.co.uk/cbeebies/joinin/numberblocks-help-your-child-with-maths</p> | <p>Ask a grown up to read you a book from home, favourites can be repeated! Join in with the parts you know. Discuss characters, settings and events. Tell your grown up your favourite part and why.</p> <p>Read a school reading book If you have read them, ask your parents to sign up to Oxford Owl for free and read an online book of your colour book band. https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/</p> <p>Read keywords and tricky words from your keyword pack. You should be able to read all 69 by the end of the year. If you don't have all 69 yet, a keyword sheet is available on the school website.</p> | <p>Practise spelling keywords and tricky words from your keyword pack. You should be able to spell all 69 by the end of the year. If you don't have all 69 yet, a keyword sheet is available on the school website. Remember to use correct letter formation! (Examples can be found on our website.)</p> <p>Imagine you were Queen/King for a day. What rule would you introduce? Write it down in a sentence. Don't forget to send a photo of your rule in via Tapestry!</p> <p>Write a birthday card or letter for the Queen of England. Did you know her real birthday is on the 21st April but her official birthday is not until June!</p> |
| Topic Project Tasks | | |
| <p>Talk: Talk with your family about what makes your family special. Create a family flag or coat of arms for your 'castle' (family home).</p> <p>Create: Make a crown using paper or cardboard (cereal packets are good for this!), decorate it and measure around your head to check it fits before fixing it together. We'd love to see you wearing your fabulous crowns.</p> <p>Play: If you have dressing up clothes, dress up and play Kings/Queens (or Princes/Princesses!) If you don't have dressing up clothes, put on your finest clothes and pretend anyway!</p> <p>Think: Make a boat that can actually float to cross the moat to a castle. What materials will you use and why? Test it out in the sink/bath/paddling pool/washing up bowl. How much can it hold before it sinks? How many play people can you fit in your boat?</p> <p>Share: We'd love to see your Kings, Queens and Castles home learning! Help your grown-up to upload pictures of your favourite activities to Tapestry so we can see what you been doing!</p> | | |
| Have fun and stay safe! | | |
